

2024-2025 DIVISION A REGISTRATION PRICES

REGISTRATION DISCOUNTS

Northrop Grumman is once again partnering with VASO to contribute to registration discounts for schools with higher proportions of economically disadvantaged students. Please review the pricing table below to determine your school's eligibility for this discount.

DETERMINING YOUR SO REGISTRATION FEE:

1. Determine how many teams the school will be fielding.
 - Schools may field up to three teams.
 - VASO **strongly** encourages first-year schools to start with fielding only one team.
2. Determine the school's percentage of economically disadvantaged students (EDI) from its [Virginia School Quality Profile](#).
3. Look up the registration fee on the table below. *Coaches may also confirm their registration fee in the [VASO Portal](#) after creating their account and inputting their number of teams once registration opens.*

Payments will be accepted via check or credit card/PayPal once registration opens.

2024-2025 DIVISION A REGISTRATION				
		1 Team	2 Teams	3 Teams
EDI < 35.0%		\$300.00	\$500.00	\$700.00
FUNDED IN PART BY NORTHROP GRUMMAN GRANT	35.0% <= EDI <= 43.5%	\$225.00	\$375.00	\$525.00
	EDI > 43.5%	\$150.00	\$250.00	\$350.00

REGISTRATION CAP FOR RETURNING EDI-DISCOUNTED SCHOOLS

The anticipated three-fold increase in participating schools eligible for the VASO Economically Disadvantaged discount, plus the loss of a major donor, means that VASO cannot extend the depth of discount that it has been able to in the past. However, we recognize that an increase in rates for schools that have been eligible for this discount may be a hardship for these teams.

Therefore, if a school was eligible this year or last year for a discount based on the VA Economically Disadvantaged Index, VASO will fund half of their increase in costs themselves. This funding will be calculated comparing the school's current registration (# of teams, ED index level, and eligibility for the Outreach Grant) to how that same registration profile would have been priced last year. This discount is only for the 2024-25 year. Coaches are encouraged to confirm the final cost to their school in the [VASO Portal](#) once registration opens.
